Dear Child Care Provider,

This letter is in regards to the May 13, 2014 compliance check of your Level C-2, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)p Children under the age of one year are placed on their backs for sleeping unless otherwise authorized in writing by a physician. (infants need to be out of swing set. Crib in the storage room needs to be destroyed)
- ☐ 110.5(2)c Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years. (11/13)
- ☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

X ☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed. Child Care Resource and Referral will check your home for completion of your items out of compliance with the checklist. They can be reached at 319-233-0804

Please do not hesitate to contact me at DHS at 319-292-2419 if you have any questions regarding this letter.

Sincerely,

Angela Huntington
Social Worker II
